To our Family, Friends, & Community Supporters,

Graduation ceremonies for the Cedar Ridge High School Senior Class of 2019 will be held May 24th. We all know most of these students and even underclassmen will be out celebrating this achievement. But did you know statistics show that students celebrating on the evening of graduation may experience one of the most dangerous nights of their young lives? For this reason, Project Graduation was created and dedicated to providing high school graduates a safe alternative environment to celebrating their special night.

Project Graduation is a non-profit, 501(c)3 tax exempt organized volunteer parent committee, we do not receive any funding from the school or districts budget. This simply means we are 100% volunteer and donation based and rely strongly on the support of our Proud Raider Parents and Community. This event's success is dependent upon a strong partnership between businesses and community leaders, law enforcement, school officials, and parents for fundraising, volunteers, and logistical support.

Our goal is to raise \$25,000 which will aid us in securing a venue, cover all event expenses, as well as to leave startup funds for the next Cedar Ridge Senior Class of 2020. Donations can be made by cash, check or credit card.

You may donate by credit card on our website at:
